

Join us as a CCCYC High School Liaison Representative!

Who are we?

The Chinese Cultural Centre of Greater Toronto Youth Chapter (CCCYC) is a group of youth that wishes to inspire the spirit of volunteerism and encourage Chinese Canadian youth to be active members of the Canadian community.

Why are we looking for CCCYC Reps?

CCCYC is currently looking for High school students that would like to act as a liaison between CCCYC and their school for the school year of 2010-2011.

As our 10th anniversary of the Chinese Canadian Youth Achievement Awards is coming up, we will need your help as a CCCYC rep to better promote this wonderful event. We hope this opportunity will allow you to gain experiences in leadership and community services.

About the Achievement Awards

The objective of the Achievement Awards is to recognize and celebrate the outstanding achievements of today's Chinese Canadian youth and to encourage further development and contributions to the community. The Achievement Awards is divided into four categories: Performance Arts, Visual Arts, Athletics, and Leadership & Community Service. Every year, the Achievement Awards attracts many applications from students and young professionals all over Ontario. Each applicant's work is thoroughly reviewed by a panel of judges and top applicants are asked to participate in an interviewing process. Three prizes are given out to each category – Gold, Silver, and Bronze award winners are presented a plaque and a scholarship.
